Special Meeting Minutes  
October 12, 2023, 6:00 P.M.  
Aloha Township Hall**

**Present:** Supervisor Chuck Maziasz, Clerk Teresa Sullivan, Treasurer Dana Stempky, Trustee Steve Crusoe,  
**Absent:** Trustee Scott Eno

Meeting began at 6:15 p.m. by Chuck Maziasz.

Special meeting was requested to go over the ramp project with contractor, Terry Stempky. It was determined that the ramp should be extended to the building, instead of having a space between the ramp and building that would collect debris and would allow for more walking ramp space. Terry Stempky will contact Zoning to make sure that the change is permissible. Terry also stated that there will be modifications to the drawings since the placement of the roof over the ramp will be too low over the existing windows. Board would like him to order a commercial door with glass to replace the front entrance door and a solid door for the front. Next meeting scheduled for October 24<sup>th</sup> at 6:00 p.m.

**Adjourn** – Chuck Maziasz adjourned meeting at 6:53.
