Septic System – Chuck Maziasz will contact Merchant’s Excavating to see if it still will be done this year. Steve Crusoe commented since we are using the ARPA funds for this project if it had to be done by year end. Dana Stempky stated since the ARPA funds are allocated for the septic system and seal coating the parking lot, it could be done in the spring. The deadline to use the allotted funds is December 2026. Motion made by Steve Crusoe, supported by Dana Stempky that the obligated ARPA funds for the septic and seal coat will be used before the deadline. Motion carried.

New Business

Recycle Bins – Steve Crusoe stated we do not have good service in regards to keeping the bins maintained. The cardboard bins are always full and there is litter around the bins.
